For  
Consulting and Insurance Broker Services

## QUESTIONS AND ANSWERS

1. Will Osage provide brokers with a detailed insurance summary to review retentions, exposures and overall structure aside from what provided to us in the introduction and purpose section of the RFP? **We are not disclosing such information currently.**
2. For compensation and structure purposes, will loss runs be provided? **We are not disclosing loss data currently.**
3. In terms of RFP response evaluation, will Osage be using formal grading criteria that will be shared with brokers? **The evaluation criteria and procedures can be found in section VI on page 13 of the RFP.**
